# Affiliation Guide - COMIBAM USA

## Who We Are

COMIBAM USA is the United States-based organization of COMIBAM International (Ibero-American Missionary Cooperation), a network that brings together local churches, councils, training centers, Christian organizations, and mission agencies. We exist to facilitate collaboration among these diverse actors, promoting resources, training, and strategic alliances to bring the Gospel to unreached peoples.

## Our history and mission

COMIBAM USA was founded in 1993 out of a desire to see the Latino Church in the United States take its place in the global missionary movement. Since our founding, we have worked to build bridges of collaboration, create spaces for mutual encouragement, and provide practical tools for effective cross-cultural ministry. Our mission is to strengthen and multiply Latino missionary participation globally through strategic alliances and the sharing of resources and opportunities.
